WELCOME TO WESTWARD WAY

From a desolate sod house in Nebraska, owned by my grandfather, from a working farm located in Gentry County, Missouri, where the rolling green pastures were dotted with Shorthorns, and I carried the feed bucket, came the desire to be a breeder of outstanding Shorthorns, and do it by practical means.

Only once from Show-Me Farms in Missouri to Illinois was the breeding program interrupted — that being necessary because of farm location.

The herd has been improved for the past eighteen years, without a single female being offered for sale to a breeder. If she was good enough and met our standards, she went back in the herd, and if not, she was shipped to market.

Today the herd is represented by over 250 head of Shorthorns selected from our own breeding, and through purchases that met our exacting standards.

We believe our cattle are the type that true cattlemen want. This fact has been demonstrated by the Show Ring record.

June 2, from a business standpoint, will be the happiest day of my life, a dream come true, when it will be my pleasure, on behalf of my wife Verena, my daughter Diane, and her husband Larry Barkley, to welcome you to Westward Way, then to present to you a selection of champions who have in their own right proven themselves.

We cordially invite you to be with us, and do hope you will honor us with your visit.

Most sincerely,

M. L. "Mac" Magee

Westward Way . . . beautiful, well kept and practical.

A WORD FROM HAROLD WOODY . . .

I joined Mac Magee four years ago because I liked what I saw. I liked the cow herd, built with religious culling — I liked the simplicity of the operation, made easy through well planning of silos, hog barns, and concrete lots.

I liked the enthusiasm that Mac had for the Shorthorn business, his willingness to buy top females and the best bull for sale that I felt would work with the cow herd.

It's been a very pleasant relationship, with each of us cooperating and having full confidence in the judgment of the other one.

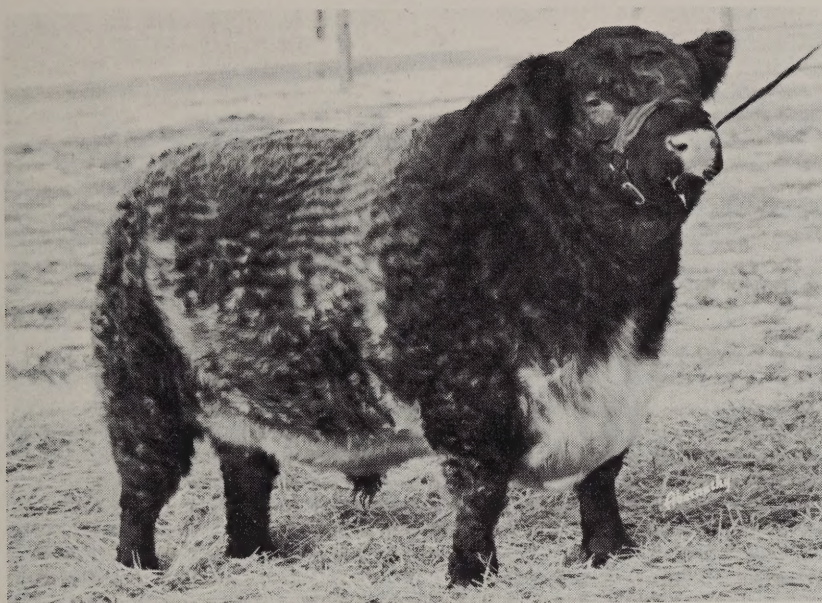

We have shared in many mutual joyous occasions, especially with our winnings at the various Fairs, and through our association where plans are made for the future operation of Westward Way.

Please honor us with your visit June 2. I believe you will like what you see, as I did.

Sincerely,

Harold Woody

LYNNWOOD COPYRIGHT x — Winner of many championships including the International Reserve Grand Champion of 1959. He was senior champion at Denver, 1960, in horned competition. The dam, a great Cherry Hill brood cow, was also the dam of Lynnwood Mainline x that did such a great job for Richwood Farms, Indiana. No Polled Shorthorn sire in the past two years has produced more champions than Copyright, many of these in horned competition. He sired six All-American nominees in 1963. Further, Lynnwood Copyright x has been a 100% dehorner and he is sired by a 100% dehorner. This sale affords an unusual buying opportunity as we are selling 29 daughters and six sons.

LYNNWOOD ALLEGIANCE x — To maintain all the qualities of Lynnwood Copyright x, the bull that has carried Westward Way to a sweeping show ring record, we selected Lynnwood Allegiance x. He is a son of Lynnwood Bolster x, senior champion in horned competition, Denver and Ft. Worth, 1961 and the sire of the champions and winning groups at the 1964 Polled Shorthorn Congress. His dam was grand champion at Indiana and is considered by many the best brood cow at Lynnwood. Allegiance is a big bull weighing over 1800 pounds in breeding condition and could easily be made a ton bull. He has tremendous bone, is very deep, thick and well coupled. His feet and legs are perfect.

On arrival at Westward Way he was put into active service and as many females as possible will be bred to him by June 2. He has been in service at Lynnwood and they have a great set of calves by him.

W W BETTY — This is a good-headed red heifer that looks like a good brood cow.

Four Dees Fair Lady x, 1961 International Reserve Junior Champion Female. She is out of the same dam as Four Dees Fair Lady 3rd x, Lot 45. Shown above are Mr. and Mrs. R. I. Dennis, owners of Four Dees, their daughter, and Roy Rutledge, manager.

THE FOUR DEES CONSIGNMENT

Certainly one of the bright new stars on the Polled Shorthorn scene in the past decade has been the strong herd built by Mr. and Mrs. R. I. Dennis at their Allerton, Illinois farm. This outfit is capably managed by Roy Rutledge, for many years one of the most respected cattlemen in the business.

Originally Four Dees had planned its own first production sale this year, but has instead entered into this event ten of the best heifers on their farm. This group certainly affords progressive breeders an opportunity to acquire strong new bloodlines along with top individual quality.

Four Dees has proven they could compete with the best and win. Their cattle in the hands of others have done well. Their entry into this sale strengthens an already strong offering.

Four Dees Alberta 3rd x, 1963 All-American Nominee. One of the first calves by Four Dees Good News x.

Four Dees Ambassador x, Omaha reserve grand champion bull, was sold by Four Dees to Rocker Bros., Seward Neb. The price was \$1,600.

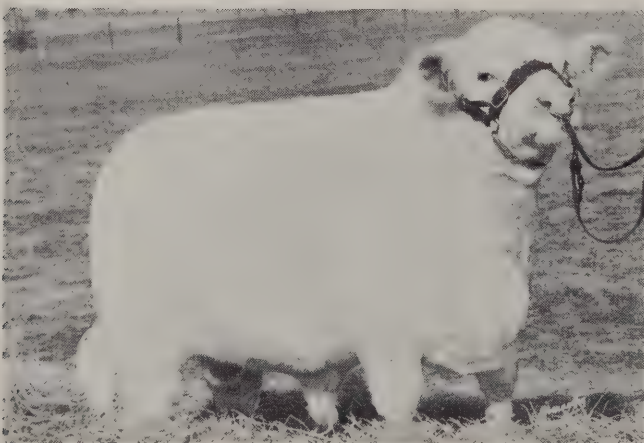

Four Dees Grenadier x, grand champion and top-selling bull of the 1963 Omaha Polled Shorthorn Sale. Purchased for \$1,235 by R. R. Johnston, Dancy, Ala.

THE AMAZING FOUR DEES RECORD

The way a herd's bulls are accepted in "cow country" is an acid test. For the past three years Four Dees has taken a strong consignment of bulls to the Omaha Polled Shorthorn Sale, one of the nation's largest and strongest. Each year they have had the top herd average:

- 1962** Four Dees four bulls averaged \$1259, consignment included both champions and both top sellers.
- 1963** Four Dees four bulls averaged \$1017. Again they had the champion bull.
- 1964** Four Dees four bulls averaged \$865. All four were in the top ten selling bulls in the sale.

At Omaha and other important sales . . . at the major shows . . . Four Dees Polled Shorthorns are at the top.

Left — Four Dees Landmark 2nd x by Four Dees Command 50th x sold for \$1,000 to J. W. Bennett & Sons, Oakville, Wash.

FOUR DEES AUGUSTA H 4th x — Another one of the good daughters of Four Dees Command 50th x that could do some winning as a senior yearling this fall. She is a dark, even roan from the Saltoun Augusta family. Our top selling bull in Omaha in 1964 and the second top selling bull in Omaha in 1963 were both from this same family. The Saltoun Augustas were some of the best cows imported from Scotland. We have more top cows of this family than any other family that we have. Will be bred to Four Dees Grandee x. Pre-tested and vaccinated.

FOUR DEES AUGUSTA ROYAL 2nd x — Sired by Four Dees Commander, a son of the famous Four Dees Command 50th x. He was the highest priced bull to sell in an Illinois Follied Shorthorn breeders' sale. He is doing a wonderful job in the S. Roy Sampson herd at Petersburg, Ill. Her dam, Four Dees Augusta Royal and her granddam, K F Augusta Royal 41st are two of the best cows on the farm. Look at the sires on this pedigree; Collynie Command 50th x, O K'D Commander 2nd x, and the famous Beaufort Cuptie and Chapelton North Star. The only reason we are selling this heifer is we wanted to sell one granddaughter of the famous Four Dees Command 50th x. Calfhood vaccinated. We are leaving this heifer open so you can breed her to your own bull or we will bring her back to Four Dees and breed her to the bull of your choice.

Junior Get by Four Dees Good News x

M. L. "Mac" Magee has been a friend of the breed for as long as I can remember. Although he heads a large chemical concern he finds time to be at the farm regularly, at Shorthorn events, and to work at the job of producing breed improvers. One of the first sales I recall helping my father manage was Mac's Shorthorn dispersion about 15 years ago which was caused when the farm he owned was subdivided. Not a long interval had passed before he purchased another farm, this time building a Polled Shorthorn herd.

When Harold Woody joined the firm, Mac decided to seek out the best bull he could find. They traveled hundreds of miles and finally selected, at a long price, the 1959 International Reserve Grand Champion, Lynnwood Copyright x. He proved not only a sire of countless champions, but also a 100% dehorner. 29 daughters and 6 sons sell. An excellent buying opportunity.

R. I. Dennis is another successful businessman who is giving of his energy and talents towards the building of the Polled Shorthorn breed. He and Roy Rutledge have achieved amazing success and there can be no question but that today Four Dees ranks in everyone's book as one of the breed's leading seed stock sources. Their entry into this sale with ten top females has added strength to an already strong offering.

The theme of this sale . . . MORE CHAMPIONS . . . MORE SIRED BY CHAMPIONS . . . AND MORE BRED TO CHAMPIONS . . . certainly applies.
